

PASSENGER INFORMATION

BEFORE YOUR TRIP

If you're feeling unwell and experiencing COVID-19 symptoms in the week leading up to your flight, you should defer your travel plans. Symptoms include fever, runny nose, cough or sore throat and shortness of breath

Follow local and country of destination's travel advice concerning quarantine, testing for COVID-19 and all COVID-19 regulations

Always pack your own bag

Don't forget to bring all required valid travel documents. Contact your FLYINGGROUP representative for more information

AT THE AIRPORT

FLYINGGROUP offers private car parking free of charge in Antwerp and Brussels

Arrive a few minutes before your departure time

Disinfect your hands on arrival at the airport

Face coverings (mask which covers nose & mouth) are mandatory

Follow the instructions of ground staff on the tarmac and in airport terminals/FBOs

Smoking is prohibited at the airport

Respect social distancing when required

ON BOARD

The onboard safety card illustrates the emergency exits and safety equipment

The onboard COVID-19 health safety card illustrates the required use and handling of personal protection materials. This can be read prior to boarding here

Check restrictions of use of portable devices onboard

All aircraft are thoroughly disinfected before and after each flight conforming to strict EU guidelines

Read our General Conditions of Carriage here
