FBO ANTWERP

WELCOME IN THE HEART OF EUROPE

DESTINED TO DELIGHT

With over 15 years of expertise, our team has the knowledge and know-how to service all your ground handling needs. The FBO is located at the airport of Antwerp, only 5 km from the city and 35 km from the heart of Europe, Brussels. Antwerp Airport is an excellent alternative for expensive slots and restrictions and FLYINGGROUP has 10,000 m<sup>2</sup> of hangar space available where we can offer short or long term hangarage for your aircraft. Drive up to our curb or leave your car in our secured private parking lot. Unwind in passenger and business lounges or connect with your associates in one of our corporate meeting rooms. Pilots can shower and retreat in private quarters. Quality is key to our operation and FLYINGGROUP is proud to carry the globally recognised ISO9001 certificate.
