CORPORATE EVENTS
CONFERENCES | EXHIBITIONS

A warm welcome in our event venue situated at Antwerp International Airport in Deurne, Belgium.

We proudly present our impressive new building to host your next corporate event and look forward to exceeding your guest's expectations here in our zero-energy offices. **FLYINGGROUP** is the most energy efficient building in the country, featuring luxury materials and state-of-the-art technology.

Established in 1995, the **FLYINGGROUP** headquarters are just 5 minutes from the city centre of Antwerp, in a private yet accessible location. Our team will assist you with passion and creativity and will gladly advise you with our ideas and suggestions.

With years of experience we can offer you advice on VIP catering and share our local hotel partners. Your guests will arrive at ease with over 800 nearby parking spaces and public transport access.
